Title Index

A	
A Forgotten Disease – Peritoneal Mesothelioma in an Older Adult	18:130
Ability of Early Warning Scores to Predict In-Hospital Mortality among Elderly Patients with COVID-19: A Medical Center Study in Taiwan	18:9
An Inverted Gastric Diverticulum – A Case Report	18:58
Analysis of Students Approaches and Attitudes towards Ageing and the Elderly	18:236
Apolipoprotein B and Low-Density Lipoprotein Cholesterol are Associated with Left Atrial Enlargement in Patients with Nonvalvular Atrial Fibrillation	18:113
Application of the 4Ts Score in Patients with High-Risk of Vaccine-Induced Immune Thrombotic Thrombocytopenia: A Single Center Experience	18:254
Association between the Metabolic Score of Insulin Resistance Index and Bone Mineral Density: A Cross-Sectional Study	18:118
Association of ABCA1 with Mild Cognitive Impairment	18:85
Association of Clinical Frailty Scale with Readmission and Mortality Rate in Hospitalized Older Adults	18:70
B	
Bioelectrical Impedance Analysis: Quo Vadis?	18:201
Biomarker Analysis in Cardiac Rehabilitation for Coronary Artery Disease	18:133
C	
Calf Circumference Predicts Whether Elderly Pneumonia Patients Will be Able to Eat a Normal Diet at Discharge	18:221
Cardiac Rehabilitation and Change of Plasma Cardiac Biomarkers in Patients with Coronary Artery Disease: A Prospective Single-Center Study	18:150
Classification of the Frailty Status of Community-Dwelling Older Adults Using Physical Activity Data Collected through Consumer Activity Trackers	18:75
Clinical Anesthesia of Geriatric Percutaneous Kyphoplasty: A Comparative Study of Different Injection Levels for Erector Spinae Plane Block	18:103
Clinical Factors Affecting the Remaining Activity of Daily Living in Severe Dementia	18:231
Corrigendum to “Impact of Potentially Inappropriate Medications on Unplanned Hospitalization among Nursing Home Residents: A Retrospective Cohort Study” [Int J Gerontol 16 (2022) 328–333]	18:200
D	
Differences between Clinical Presentation in Acute Pyelonephritis and Acute Renal Infarction, a Single-Center Study	18:263
Do Individuals with Mild Cognitive Impairment and Healthy Aging People Have Different Keystroke Dynamics? A Systematic Review	18:64
E	
Effects of Elastic Band Resistance Exercise on Physiological Indicators, Depression and Quality of Life of the Elderly in Nursing Homes	18:96
Effects of Physical Cognitive Dual Task Training versus Conventional Single Task Training for Balance and Quality Of Life among Older Adults – A Quasi Experimental Study	18:258
Efficacy of Biliary Drainage in the Management of Extrahepatic Cholangiocarcinoma in Older Patients	18:217
Efficacy of Definitive Radiotherapy for Stage II–III Cervical Cancer in Elderly Patients	18:42
Evaluation of the Association of Serum Sclerostin and Carotid Intima Media Thickness with Chronic Kidney Failure and Kidney Transplantation	18:144
Evaluation of the Relationship between Hemoglobin, Albumin, Lymphocyte, and Platelet (HALP) Score and Mortality in COPD Exacerbation	18:108
Evaluation of the Relationship between Neutrophil-Lymphocyte Ratio and Clinical Outcomes in Geriatric Patients in the Post Anesthetic Care Unit	18:48
Exercise Training in Heart Failure with Preserved Ejection Fraction: A Potential Mechanism and Benefit from Exercise Training	18:202

Title Index	VIII
F	
Factors Associated with Multiple Geriatric Conditions in Community-Dwelling Older Adults in Taiwan	18:241
Factors Influencing Preference for Dying at Home among People Aged ≥ 65 Years: A Cross-Sectional Study in a Super-Aged Area of Japan	18:138
Frailty and Cognitive Impairment Characterized by Depression and Malnutrition, Manifesting as Repeated Falls in an 82-Year-Old Woman	18:268
Frailty and Dementia: Illuminating the Intersections and Advances in Geriatric Care	18:63
G	
Gallstone Ileus with Jejunal Obstruction: An Uncommon Complication of Cholelithiasis	18:197
H	
Handgrip Strength and Body Mass Index Independently Predict All-Cause Mortality in Japanese Older Adults: An 8-Year Cohort Study	18:212
Hematological and Biochemical Changes after Anti-Hepatitis C Virus Therapy in Older Patients	18:14
High Population Density Areas in Japan are More Likely to be Influenced by COVID-19 Pandemic-Associated Frailty	18:60
I	
Intestinal Bleeding Caused by Combined Cytomegalovirus Enteritis and Adverse Effect of Kalimate in Elderly: A Case Report	18:191
M	
Microvascular Dysfunction and Heart Failure with Preserved Ejection Fraction in Senescence	18:134
Myasthenia Gravis and Myositis Overlap Syndrome Caused by Immune Check Point Inhibitor: A Case Report	18:194
N	
Novel Bioelectrical Impedance Analysis for Bone Mineral Density Measurement in Postmenopausal Women	18:179
O	
Outcomes of Geriatric Patients with Free SCIP Flap Reconstruction: A Case Series	18:53
P	
Polypharmacy is Associated with the Risk of Chronic Kidney Disease in the Elderly: A Nationwide Ten-Year Propensity Analysis in Taiwan	18:91
Predictive Value of Multiple Clinical and Imaging Parameters for Postmenopausal Osteoporotic Vertebral Refracture after Conservative Treatment	18:167
Predictors of Emergency Department Visits in Home Healthcare Patients: A Case-Control Study in Taiwan	18:206
Prevalence and the Associated Factors of Kinesiophobia among Patients with Coronary Artery Disease: A Systematic Review and Meta-Analysis	18:2
Prognostic Evaluation of Modified Early Warning Score in Elderly COVID-19 Patients	18:1
R	
Rate Pressure Product at Admission and RBC Transfusion are Risk Factors for Acute Cerebral Infarction in Upper Gastrointestinal Bleeding Patients	18:161
Relationship between Driving Skills and Cognitive Functions in Cerebrovascular Disease Patients and Short-Term Effects of Driving Training	18:36
S	
Severe Vitamin B12 Deficiency in an Elderly Woman Underwent Total Gastrectomy and Total Esophagectomy with Ileum-Right Colon Reconstruction	18:124
Sleep Disturbance and Associated Factors in Older Adults Using Data from the Indonesian Family Life Survey	18:184
Social Activity and Functional Decline among Community-Dwelling Older Adults in Thailand and Japan: A Comparative Cohort Study	18:18
Stroop Color-Word Test Performance of Chinese-Speaking Persons with Alzheimer's Dementia	18:80
Successful Treatment of Small Bowel Phytobezoar Obstruction with Endoscopic Fragmentation Using Single-Balloon Enteroscopy	18:271
T	
The Care Burden and Influencing Factors of Family Caregivers of Older Adults with Dementia	18:226
The Effects and Determinants of Leisure Time Activities on Successful Aging and Quality of Life in Older Adults	18:249
The Effects of a Cerebrospinal Fluid Tap Test on Gait, Balance and Turning in Elderly Patients with Idiopathic Normal Pressure Hydrocephalus	18:173
The Effects of a Physical Activity Program on Quality of Life and Wellbeing among Community-Dwelling Older People in Taiwan: Empirical Evidence from Taiwan Long-Term Care System 2.0	18:29

The Geriatric Traffic Light Model and Corresponding Care Recommendations	18:204
The Predictive Values of Different Scoring Systems for Mortality of Older Patients with Community-Acquired Pneumonia Who Underwent Invasive Mechanical Ventilation	18:155
The Role of Subtests of the Mini-Mental State Examination-Second Edition in Predicting Activities of Daily Living in People with Dementia	18:24
U	
Unusual Presentation of Peritoneal Angiomatoid Fibrous Histiocytoma in an Elderly Female	18:127
Use of Zebrafish in Senescence-Related Neuro-Muscular Degeneration Research	18:136
